FOR IMMEDIATE RELEASE

DINNER HAPPENS CELEBRATES ONE YEAR !

They Want to Bring Dinner Back to the Table!

Ukiah CA, July 19, 2006 – Dinner Happens, Ukiah's new and innovative company, is proud to announce its First Year Anniversary coming in July, 2006. It is hard to believe that Dinner Happens has been helping busy people assemble family meals for One Whole Year, but the show at the Ukiah Senior Center on July 29th, 2006 marks the occasion.

Who would've thought one year ago that we would be where we are now? We never dreamed of the positive reception that Dinner Happens has received and are still amazed at the experience. The best part of this first year has been all the wonderful people that have become a part of Dinner Happens. We love working with all of you and it has only served to increase our passion for Bringing Dinner Back to the Table. We are still amazed at the energy and excitement that happens when you put a group of people in a kitchen, all working separately, yet together! We see the bonds that are being formed and the friendships that are growing.

Dinner Happens has made so many good friends and enjoyed steady growth during the past year. We are looking forward to many more years helping busy people make dinner a reality.

Dinner Happens moved to the kitchen at the Ukiah Senior Center in October of 2005 and cannot begin to describe how wonderful the union has been. The next two scheduled shows at the Ukiah Senior Center are July 29th and September 9th offering a menu of 12 delicious entrees that you assemble yourself from freshly prepared ingredients to take home to your freezer. In about two hours, on a Saturday, you can put together a month's worth of family style meals from scratch, using ingredients freshly prepared by the Dinner Happens Staff. This enables you to save 20-30 precious hours per month, still make "home" made food for the family and have fun doing it! Why not enjoy your quality time with family and friends and let Dinner Happens help?

Dinner Happens would like to thank everyone at the Ukiah Senior Center, all our wonderful customers and our friends and family for all the support given to us in our first year!!!

Dinner Happens was founded by two friends, Jan Franks and Carlos Swinney, who have discovered that they share a common vision. "They Want to Bring Dinner Back to the Table." Jan and Carlos are long-time local residents with full-time jobs and are each raising their families in the community.
