Ukiah CA, February 13, 2007 – Dinner Happens, Ukiah’s own meal assembly company, now offers Organic and Vegetarian options.

Dinner Happens, in keeping with Mendocino County’s diverse lifestyles, now offers Organic and Vegetarian Menu options. This is in addition to Dinner Happens special care for other Dietary requests such as Gluten - Free, Lactose - Free, Low-Sodium, Food or Nut Allergies, etc. for those in need. When you call to make your reservation, just mention any Special Diet needs and they will be glad to work with you to make sure your Dinner Happens package is just what you need. Dinner Happens is also proud to announce a newly re-designed website featuring a sign-up page for monthly email menus as well as a feedback and comment form. Also available on the site are printable menus and cooking instruction sheets for all Dinner Happens meals. Dinner Happens will continue to improve and expand their website to include such features as Kitchen How-To, other food-related articles and any Organic or Vegetarian updates. You can check out the website at www.dinnerhappens.com

The next two Dinner Happens sessions are March 10th and April 9th. Dinner Happens offers a menu of 12 delicious entrees that you assemble yourself from freshly prepared ingredients to take home to your freezer. In about two hours, on a Saturday, you can put together up to a month’s worth of family-style meals. You can save 20-40 hours per month, still make “home-made” food for the family and have fun doing it! Dinner Happens can help you enjoy more quality time with family and friends without the stress and mess.

Dinner Happens was founded by two friends, Jan Franks and Carlos Swinney, who have discovered that they share a common vision, “Bringing Dinner Back to the Table.” Jan and Carlos are long-time local residents with full-time jobs and are each raising their families in the community.
